He cares about what he teaches . . .

. . . and makes us care too.

Because of him we are aware of

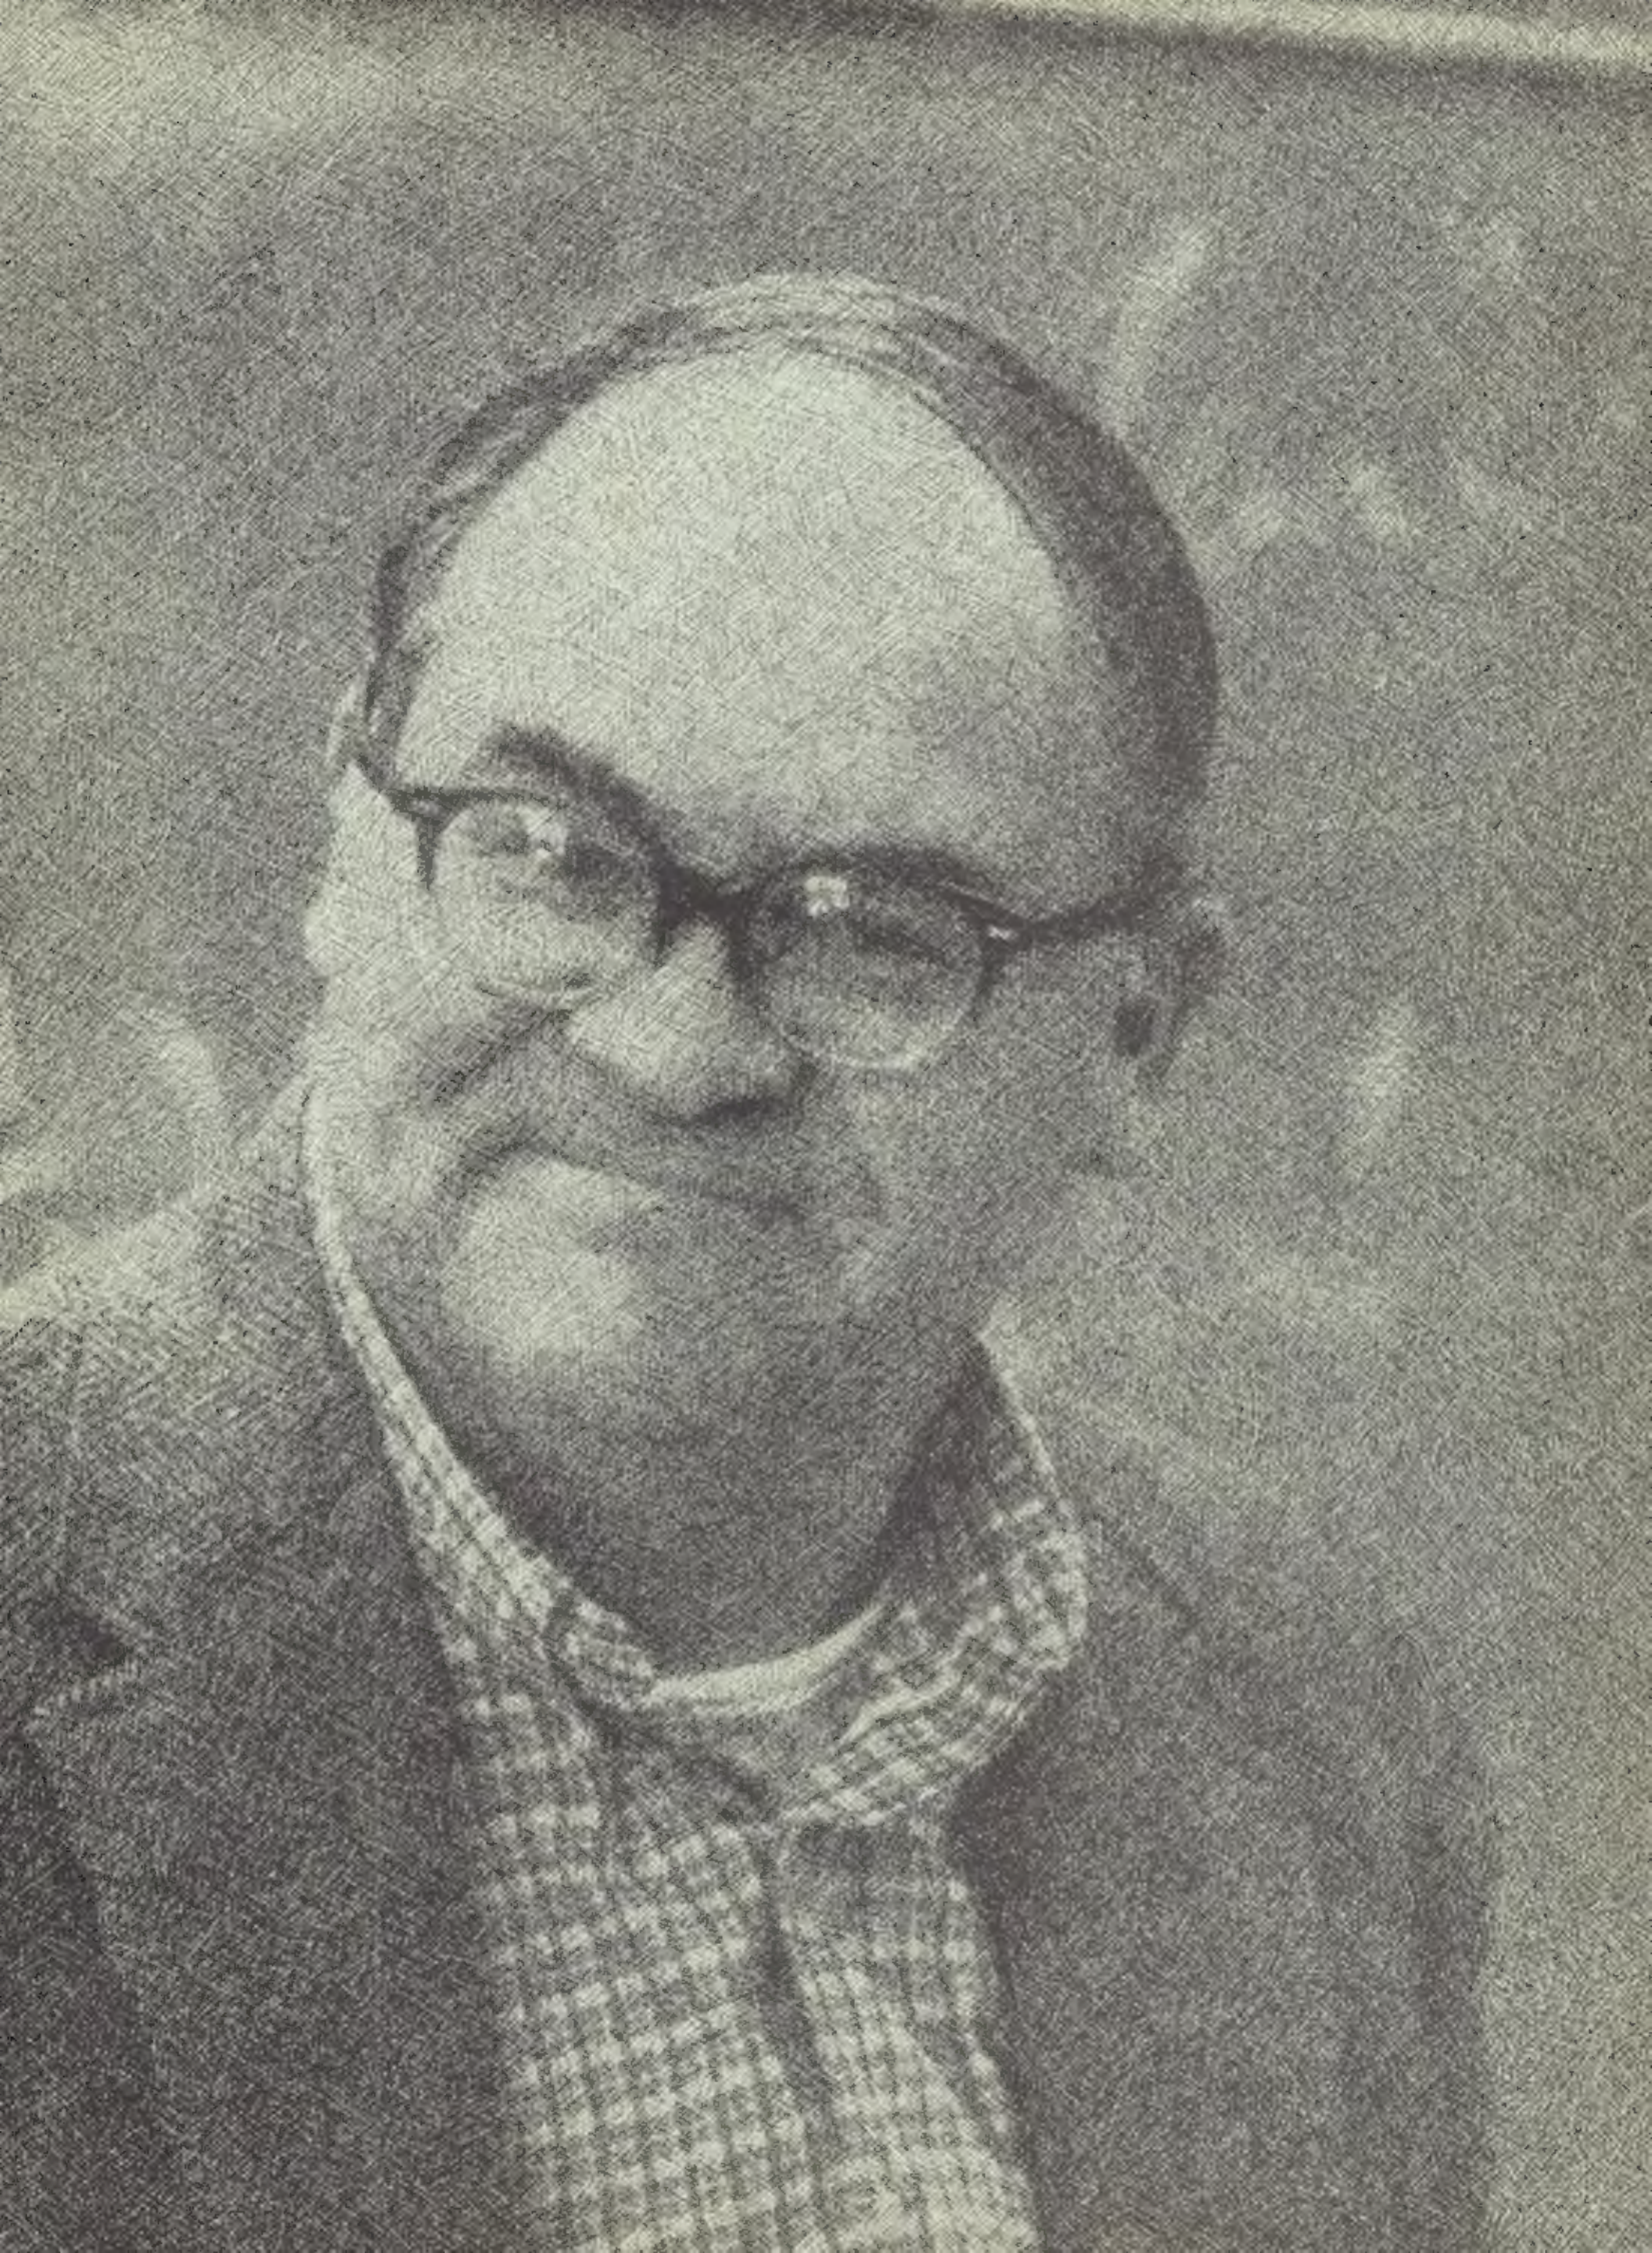

"Man's Inhumanity to Man."

We dedicate the 1977 Halfmoon to

Mr. Arthur Kaladow.

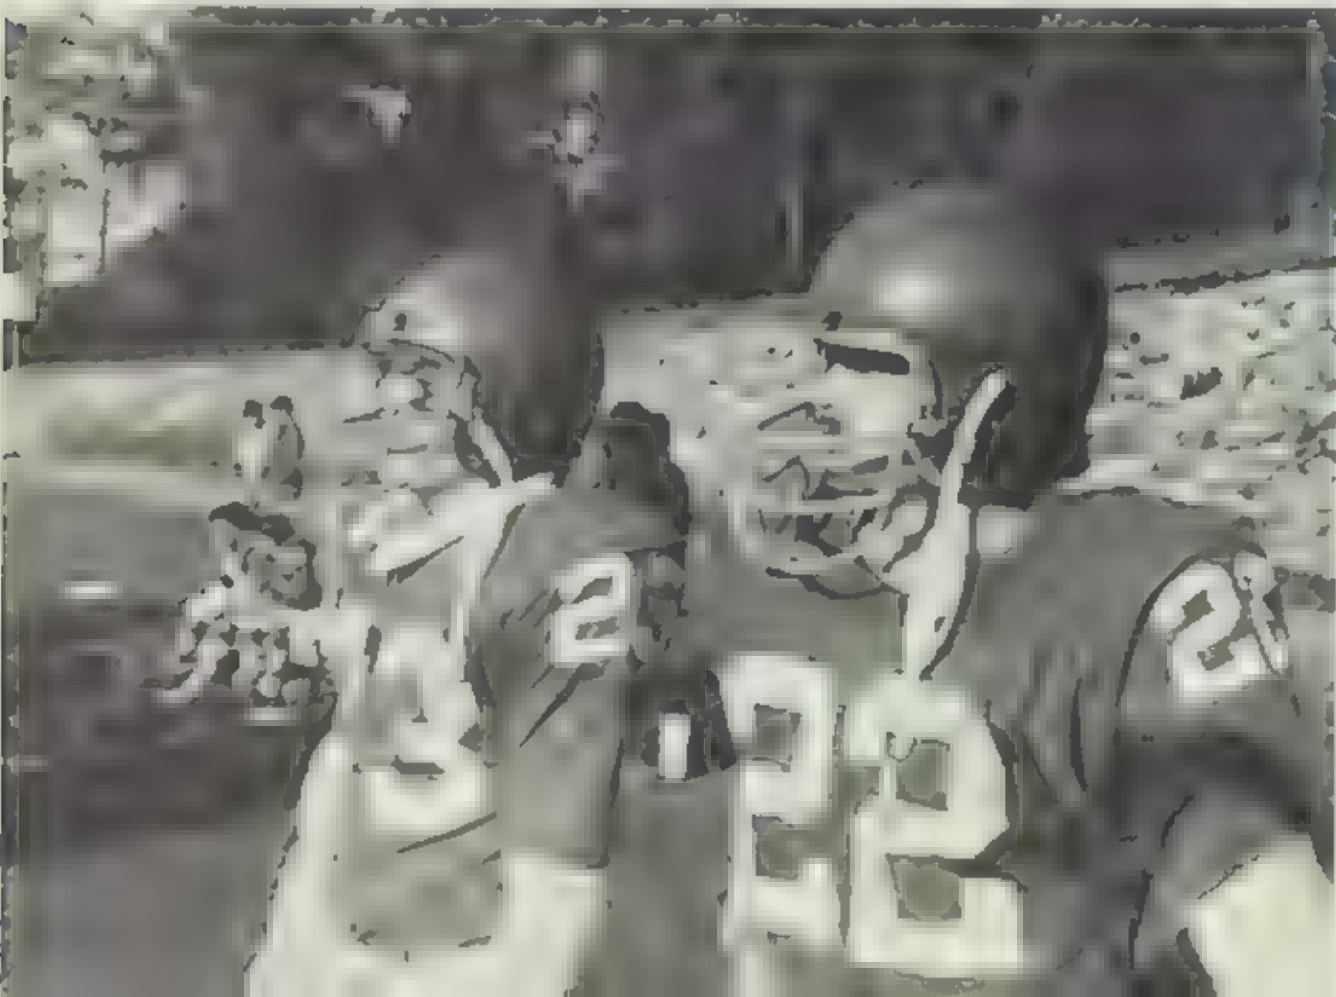

Keep your face to the sunshine  
and you cannot see the shadow.

Helen Keller

I wish I  
was like Tom  
Habel

The pessimist sees the difficulty  
in every opportunity;  
the optimist, opportunity in every difficulty.

L. P. Jacks

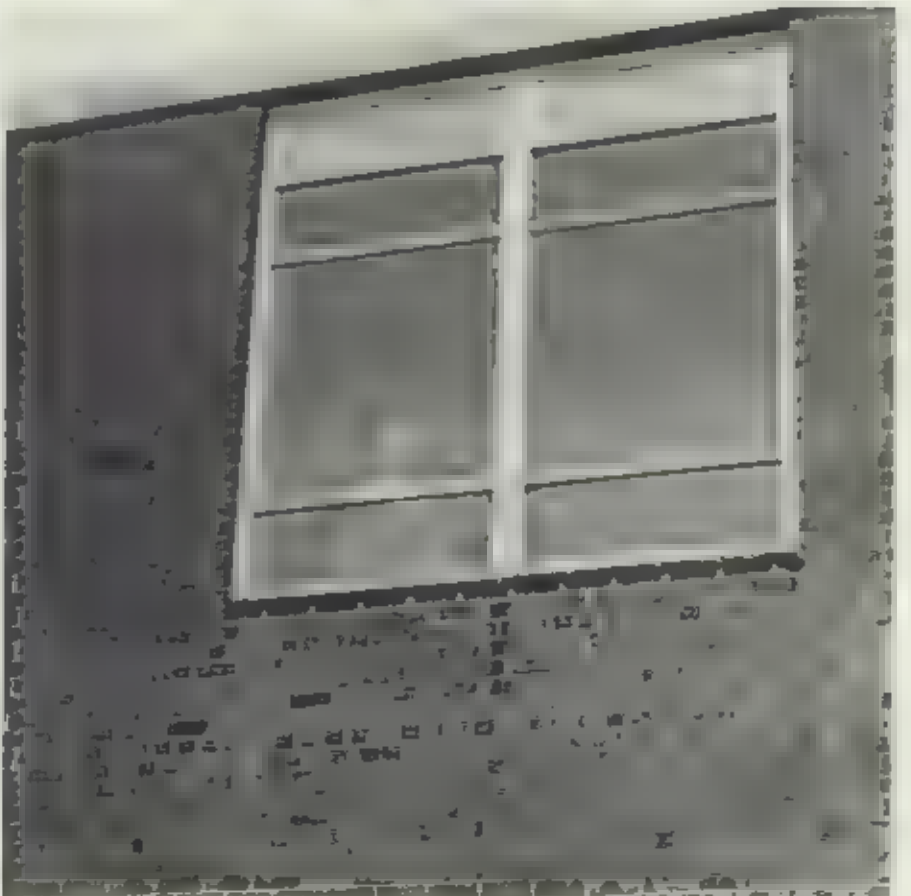

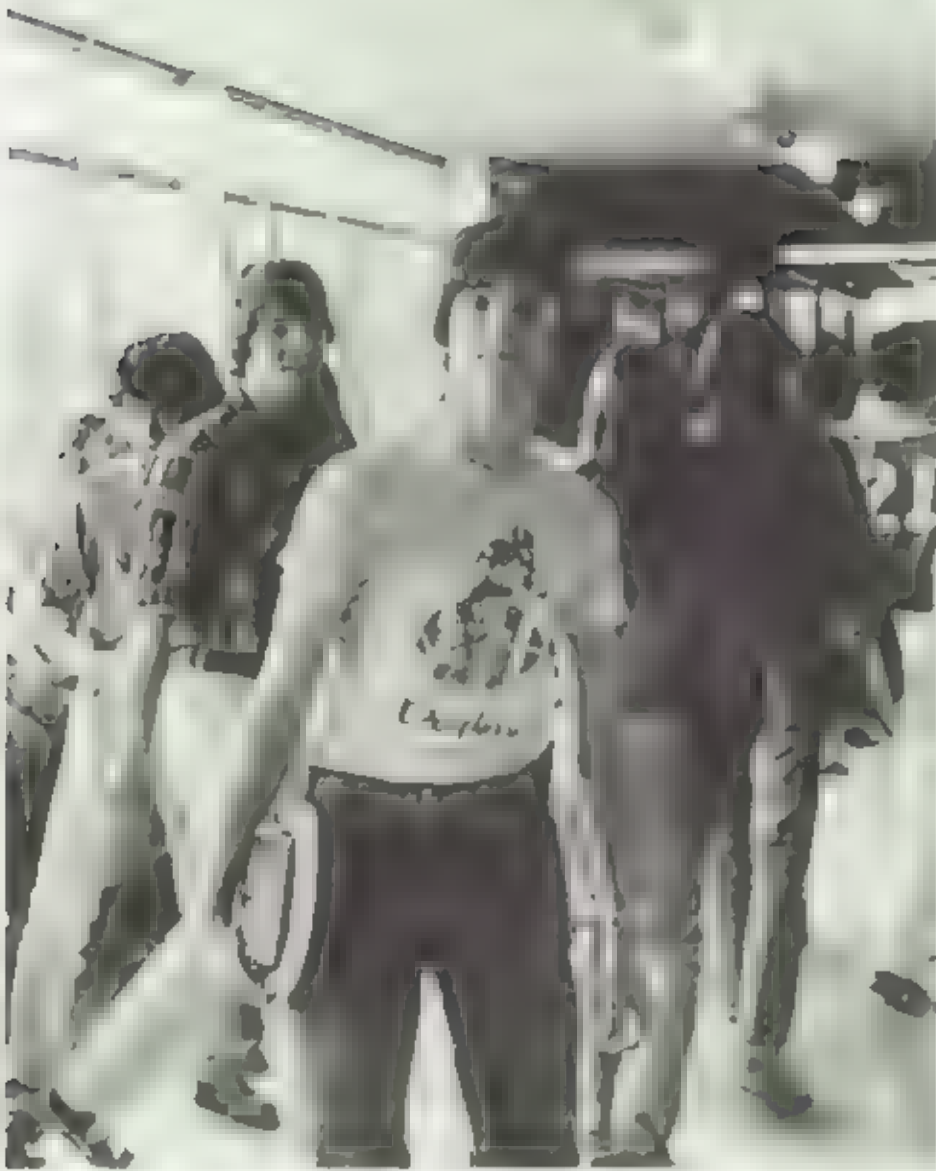

Far away there in the sunshine  
are my highest aspirations.

I may not reach them,  
but I can look up and see  
their beauty.

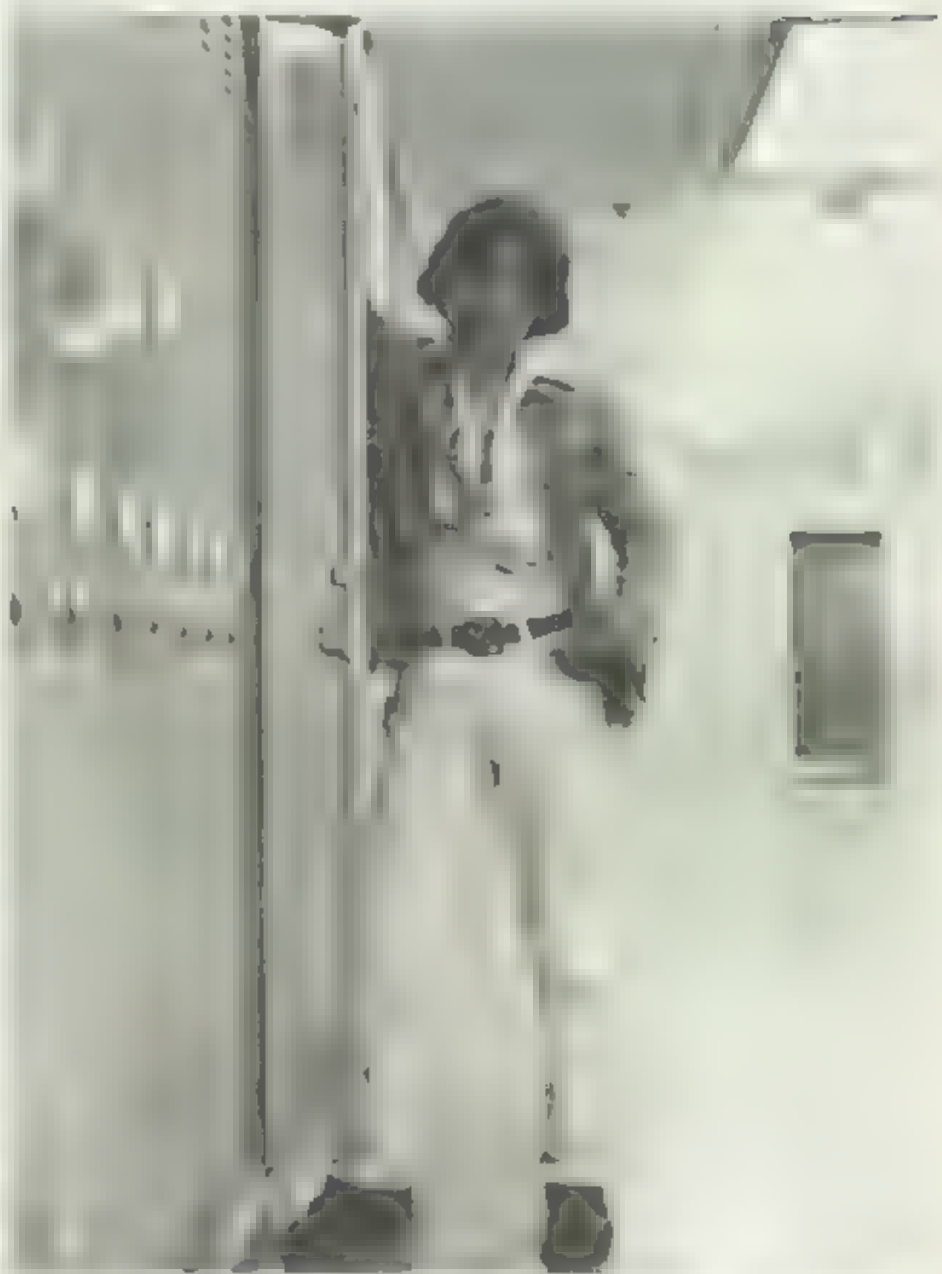

believe in them,  
and try to follow where they lead.

Louisa May Alcott

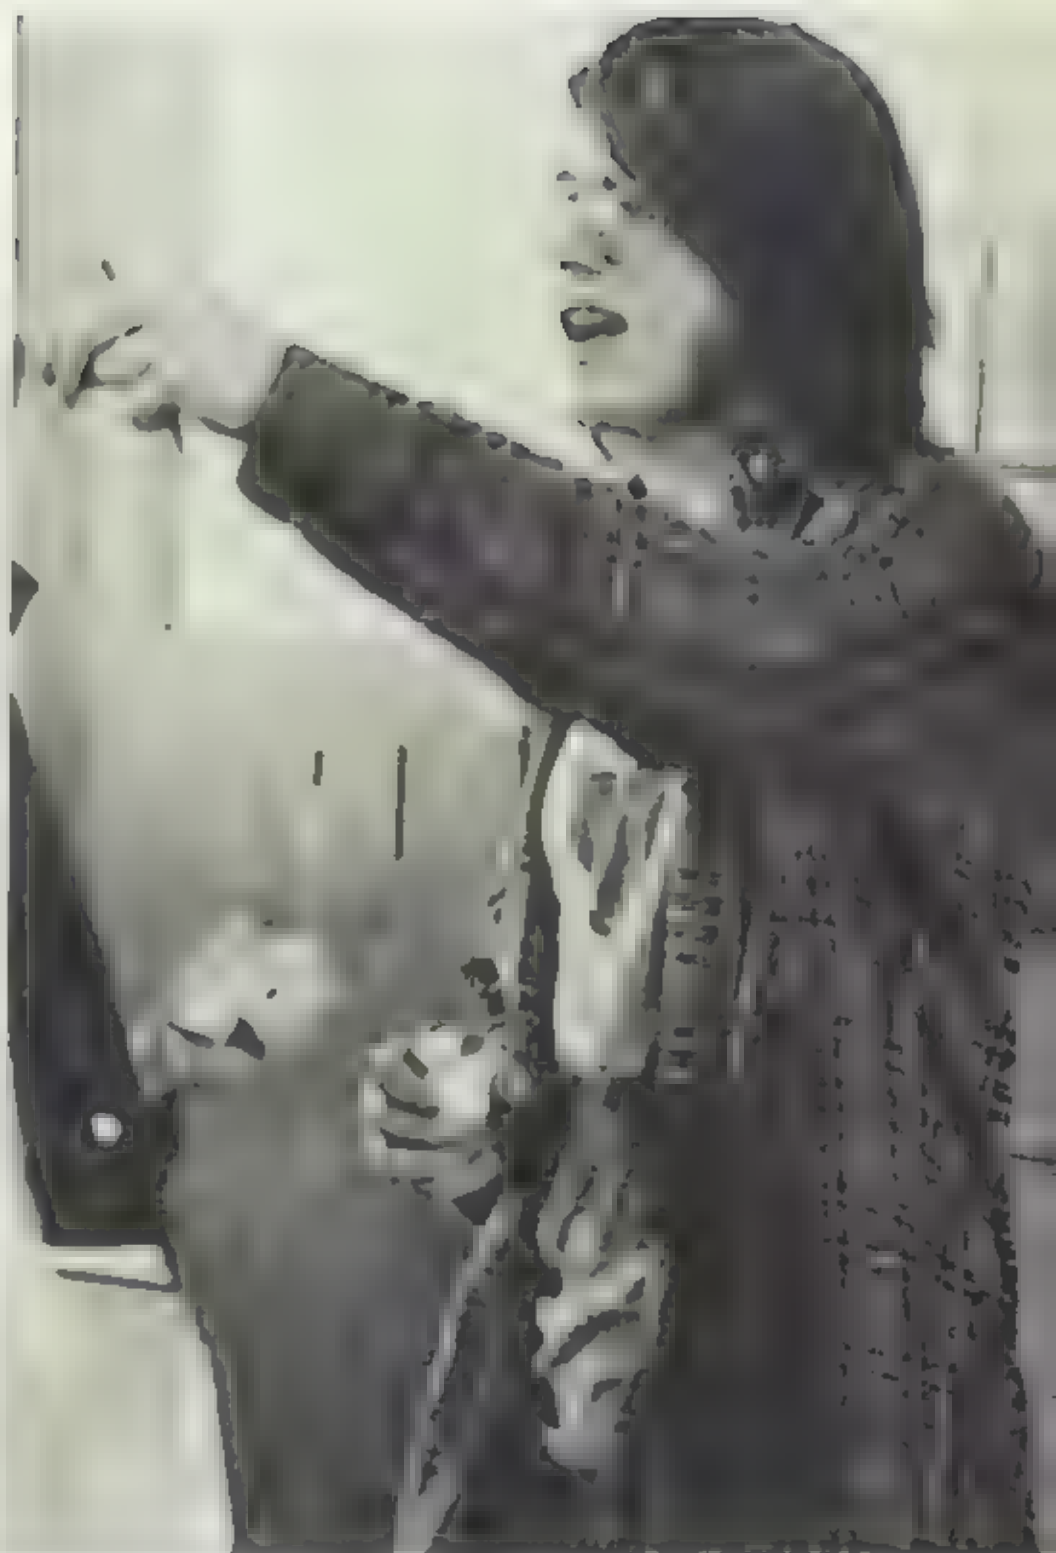

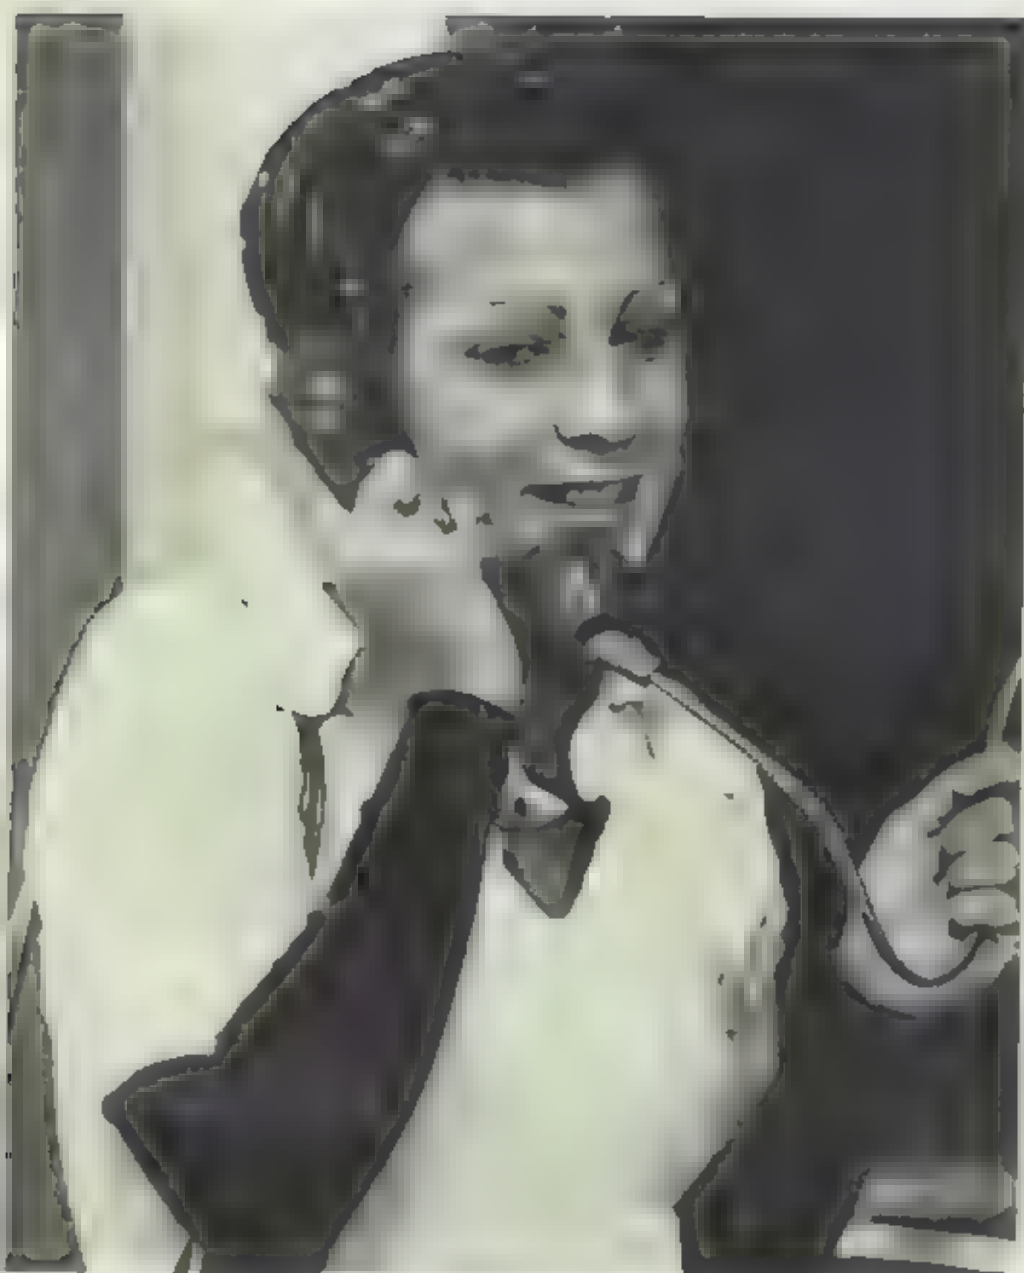

Write on your hearts  
that everyday  
is the best day  
of the year.

Ralph Waldo Emerson

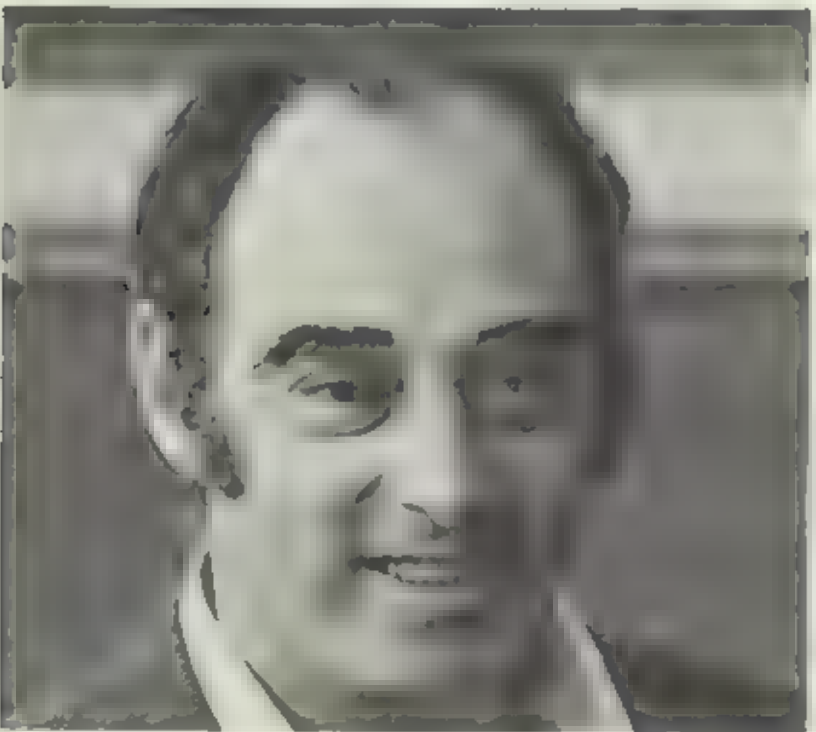

1. Larry,

at Brick,

probably

a nice girl that will treat you  
and you'll look back & laugh  
wasted with me. I  
think we have a really good relationship  
and I'll never forget you. We had some  
really good times together. So stay happy  
good luck in

Don't Forget  
write me!

Reach high.

For stars lie hidden

in your soul.

Dream deep.

For every dream precedes

the goal.

It must be beautiful to fly so free.

I am writing at home, you  
 know you will always remember  
 the first time we had your  
 great first season in the  
 game.  
 Tim

I will never forget you  
and the best time I  
had. I'll never forget you  
will never say anything  
and I'll never forget you

## Shark Bait

Throughout the summer  
the Dutchmen worked.  
When training had started,  
the power we lurked.

The coaches came ready  
with a play in each hand.  
The strength of their defense  
was carefully planned.

For the first home game,  
everyone went.  
For to beat those Pirates,  
we all knew what it meant.

A fumble, a pick-up  
and a run to the flag,  
made Coach Hince smile -  
put the game in the bag.

The South was tough  
but the Sharks pulled it out  
'Twas the Ramapo Gryphons  
we all worried about.

They sure were ready,  
the gold and the green  
and that final score  
proved they were mean.

Along came the Mounties  
all filled with glory  
but the red and white  
told them a new story.

Fired up and sparked  
the Mounties had seemed,  
but the Dutchmen came through  
and were filled with esteem.

Spring Valley was practice  
for our test was quite near,  
but the Sharks worked their pads off  
and felt nothing to fear.

Now four and one,  
but a goal still to reach.  
The top, maybe second  
but something for each.

Three games were left  
with North Rockland right there.  
The workouts went late -  
valuable time . . . none to spare.

North Rockland proved good  
but we thought we had more.  
A few lucky runs  
completely twisted the score.

The game seemed all ours  
at the end of the half,  
but when it was over  
the Raiders got the last laugh.

With Clarkstown North around the corner  
Mokrynka worked the line,  
Anselmo worked the backfield  
and everything looked fine.

But from the beginning of the quarter  
we felt we owned a loss -  
a couple of runs  
and a perfectly timed toss.

Our record proved us good -  
yet one game to go.  
The team was well respected,  
but still disappointed was Mo.

With Nyack coming up  
and much pride at stake -  
with a notable season,  
even though a lingering ache.

Yes, Nyack took it all  
but the respect for us stayed -  
for the Tappan Zee Flying Dutchmen -  
Gutsy football . . . we played.

- Paul Borgese

Go placidly amid the noise and the haste . . . You are a child of the universe, no less than the trees and the stars, you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should . . . Whatever your labors and aspirations in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.

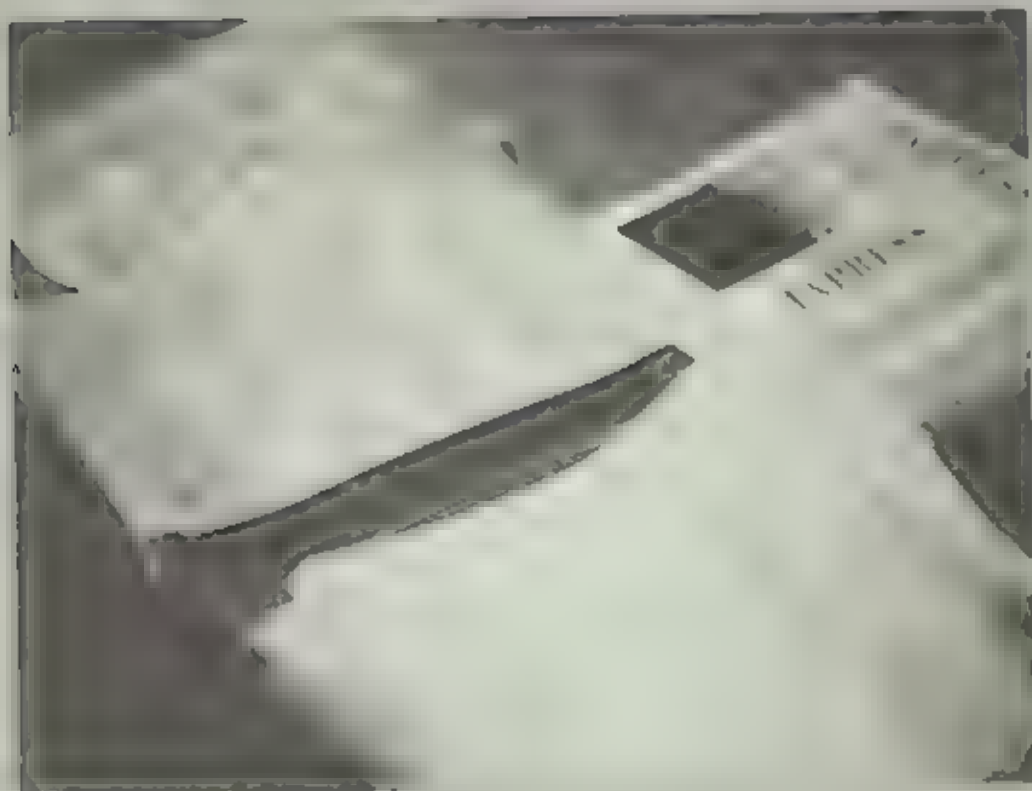

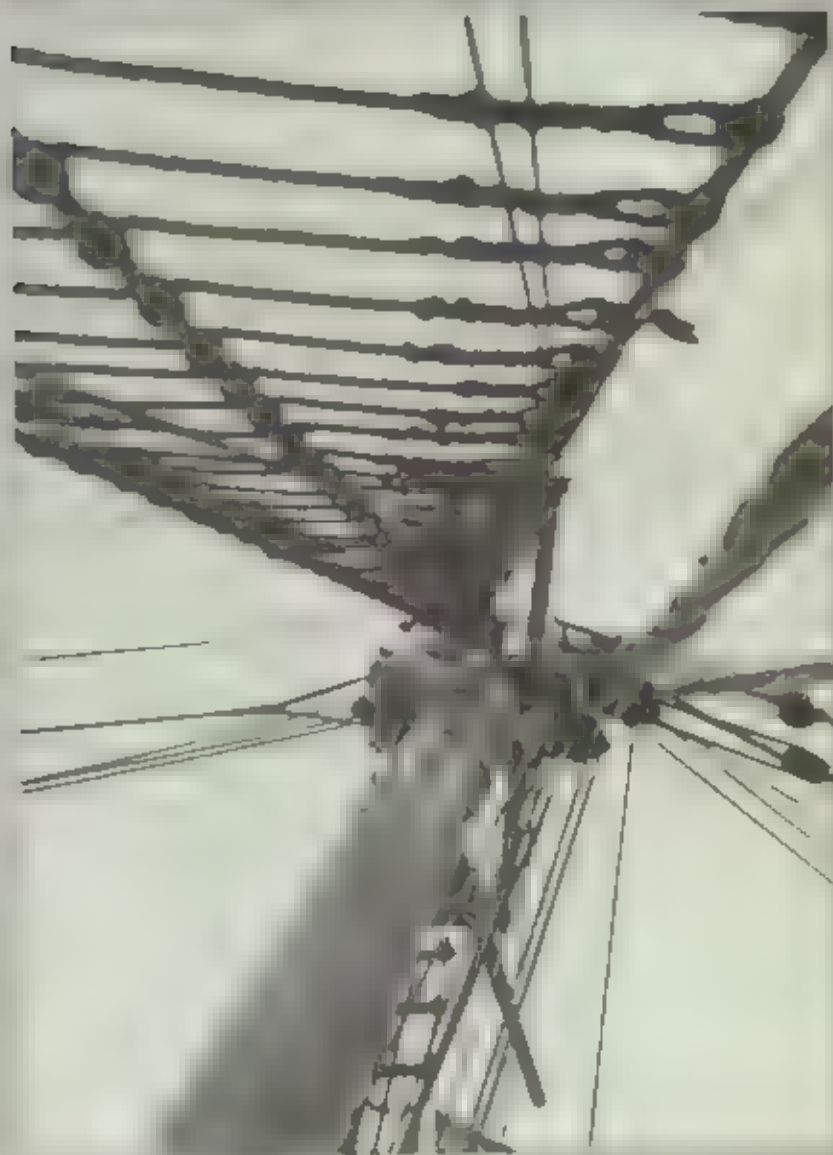

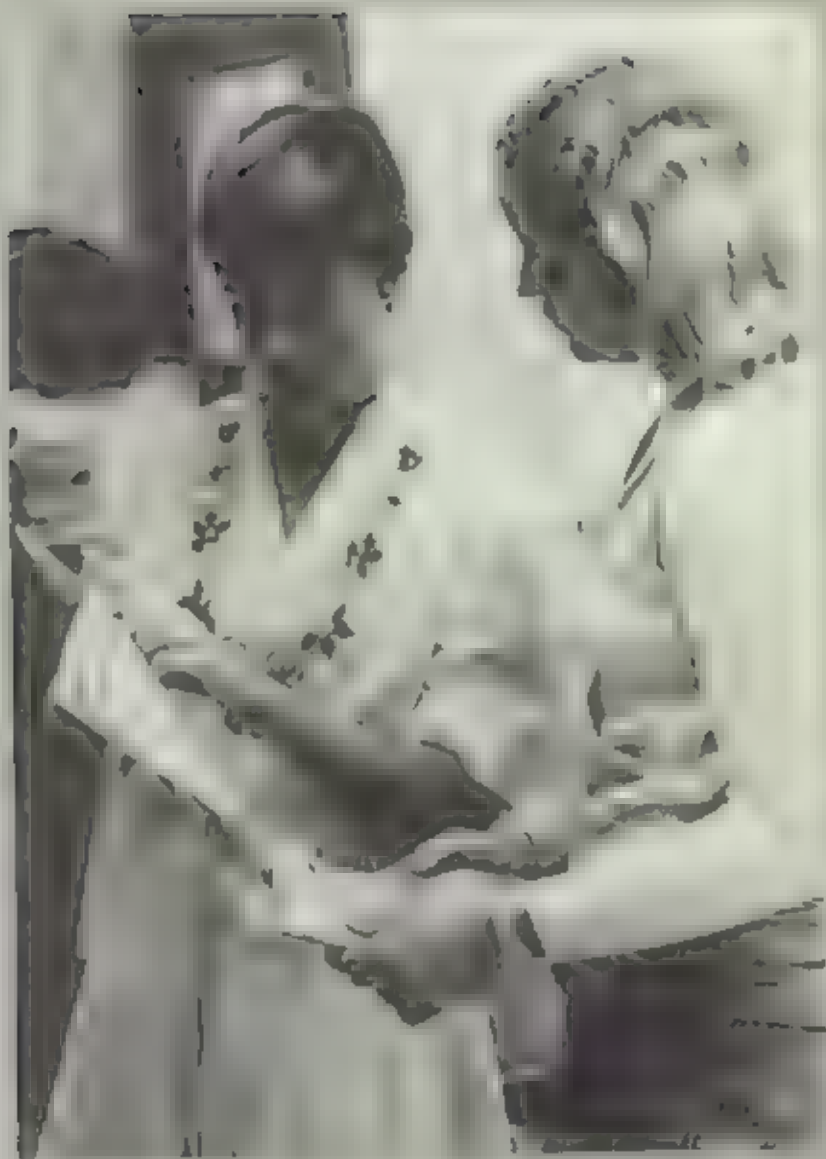

Desiderata

the more faithfully you listen to the voice within you, the better you will hear  
what is sounding outside . . .

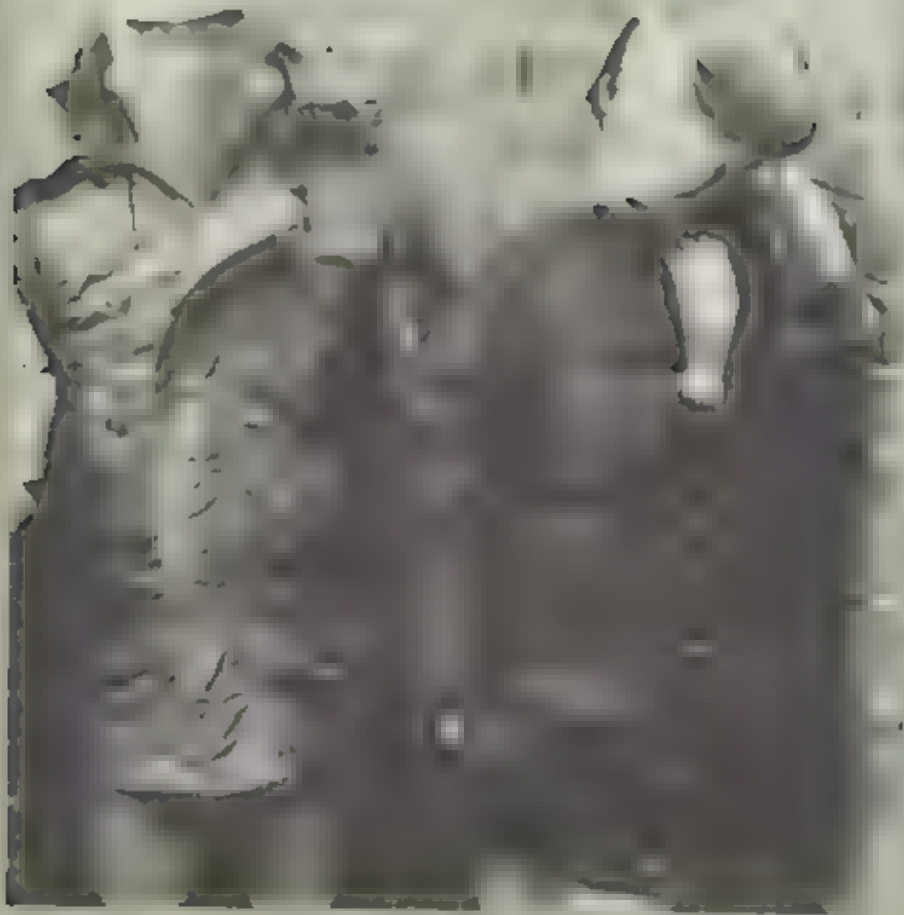

. . There's so much left to know  
and I'm on the road  
to find out . . .
